Mackay is both an industrial giant and a gracious tropical tourist city, basking under the tropical sun with many features to delight the visitor.

We have put together for the Friday, a composite coach tour to recognise some of our Award-winning features. *Why not come down a little early to relax and enjoy ?*

- A coach tour will leave Convention H/Q with morning tea included and the morning spent at the multi - award winning **Sarina Sugar Shed** with a miniature working sugar mill and distillery, a sugar museum, then with plenty of time to sample and buy some of their boutique rum, schnapps, liqueurs and preserves.
- We then travel to the **Hay Point Hotel** for lunch with gorgeous blue harbour views.
- After lunch, then onto the spectacular lookout over **Dalrymple Bay and Hay Point Coal Terminals**, Australia's largest and most efficient coal export port.

Count the giant bulk carrier ships out to sea waiting to come in to fill - can you see 40 ?
