

Northern Lion

Official bulletin of District 201Q2

Issue 4 | October 2022

Lions and Leos of District 201 Q2

I hope you all have had a productive and interesting month. I know I have as it has been very busy, but it is all in the name of Lions.

On a sad note, our Membership numbers have declined, and we currently only have 1003 Members as of 28/09/2022 with 10 new members and 8 drops within our District, and we should have 1250 members so a lot of hard work to be done by all of us. As we certainly do not want to be placed within another District so we must avoid this situation at all costs. I know you are trying hard, but it looks as though we must try harder to overcome the decline. Let us surge ahead during October to turn our decline into a bumper full steam "ahead by making the month start growing our District Membership and work toward in having plus 2 members in every Club. There is an incentive out there so please start working on your new members, but I remind you to look after our

existing members as well. I am relying on you all as you can do it *"Moving Together Towards Tomorrow"* – *"Together We Can"*.

I had the privilege in attending the Rollingsstone Pineapple Festival and what a great day it was. The Rollingsstone Lions and Leos are to be congratulated on a marvellous effort as it certainly was a team effort with members from Neighbouring Clubs coming in to assist. This is what Lions is all about helping

Email us at:
northernlion@lions201q2.org

one another as well as working with members of the Community.

I also spent several days in Cairns attending the Council of Governors Meeting. PNG and the Memorandum of Understanding was discussed at length. Our International President Brian Sheehan and Lion Lori Sheehan were in attendance. Whilst in Cairns I attended the ANZI Forum which was a great success, and all attending were full of praise.

I spent a day whilst in Cairns attending a training day for our PNG members who attended ANZI, and this day proved most successful. We were able to give the necessary information to our PNG members and they left feeling more confident in knowing what was expected of them as well as we learnt from them in the day.

I remind you all to report your monthly Membership as well as your Activity Reports also please remember the incentive for recording them both monthly.

We are coming up to another busy period with "Lap the Map" for Diabetes on 13th – 14th November 2022. Get a team together and have some fun whilst walking for an important cause.

Our District Convention in Cairns at the Cairns Colonial Resort will be held from the 4th to 6th November 2022 and the theme will be "Halloween".

Friday will be Meet and Greet Barbecue Dinner plus the Official Opening and Flag Ceremony.

Saturday there will be Notices of Motion, 1st VDG and 2nd VDG Speeches, Keynote Speakers including Turtle Rescue, Mental Health, Hearing Dogs, new Lions Rewards Program, Stinger Research, Forum with International Director Tim Irvine and GMT Ann Eldridge and more. Glam up for the District Governor's Gala Dinner wearing your Halloween Attire.

Sunday will be our Remembrance Ceremony plus further Speakers and Awards and Farewell Luncheon.

Come and learn, meet old friends, and make new friends whilst having a rollicking weekend. I look forward to seeing you all at the Convention and personally saying hello.

"Please Register Now"

I recommence my Club Visits with:

- Innisfail Lioness Lions Club on 5th October 2022
- Tully Lions Club 10th October 2022
- Mission Beach 24th October 2022
- Lower Hebert Halifax Lions Club 25th October 2022
- Cardwell Lions Club 27th October 2022

I plan to visit Weipa and in 6 months a visit to PNG Clubs.

As I have mentioned before I am available should you require any assistance whatsoever with problems etc. and should you require a visit at any time, please let me know so I can arrange.

A reminder if you have an Activity within your Club and you require some promotions do not forget that our District has a PR Cabinet Member so, please contact Lion Nick Wiseman who will be only too happy to assist you. If you require Posters. Media work anything at all Lion Nick is the person to contact as well as forwarding photos and articles to the Northern Lion as this is your Bulletin so, please make use of it. Also, if your Club has a regular Bulletin, please make sure a copy is forwarded to the Northern Lion Editor as well as the District Governor.

Also, a reminder that each month is training via Zoom so please take advantage as you will learn so much as well as meeting other members online – great way to interact while learning.

I look forward in catching up gain next month but remember please make sure to record your Membership into MYLCI as well as recording your Service Activities into MYLION.

And by this time next month let us show a growth in Membership. I know you will all be trying very hard for which I will be ever grateful but remember have some fun along the way as we all need great social interaction as it then makes it all well worthwhile.

Take care and stay healthy.

In lionism,

Am G. Macchauer

District Governor

DG sharing some frivolity with 1st VDG Jo Lynes and Lion Gloria DeMartini at the ANZI Dinner.

International President Brian Sheehan addressing those attending the Presidential Dinner.

Cairns Trinity Bay Lions Club

Where once there stood the Hambledon Sugar Mill, in Edmonton, Cairns, there now is a beautiful parkland of mature, shady trees where people love to picnic, and as if this isn't enough, there is the water park, full of wonderfully fun things for kids, mums, dads, and everyone.

It is our own Sugarworld, so popular, and this is where Lions from 201Q2 have made their commemoration of 75 years of Lionism.

Edmonton Lions Club masterminded the project and followed through to the unveiling of this very stylish bench seat, in the Sugarworld Gardens grounds.

Here we have Lions from Clubs: Cairns, Cairns Trinity Bay, Cairns Barrier Reef, Edmonton and Cairns Marlin Coast proudly standing behind their contribution to Australia's 75 years.

Cabinet Secretary Report

Hello fellow Lions,

By the time you read this edition of the Northern Lion, the ANZI Pacific Forum will be well & truly over and hopefully those of you who attended will have had a great time networking and getting some new ideas. For those Lions Australia 75th Anniversary tree; garden plantings and other aligned projects – please make sure you report any updates of these projects in your service reporting.

Our next big event is our **District Convention, 4-6 th November in Cairns.**

The Registration form for our District convention has been sent out via email, included in the Northern Lion and is available on the District website: <https://lions201q2.org>

We still urgently need nominations for the position of Second Vice District Governor for 2023-24 These are required to be sent to me by the closing date of **October 20th** along with the support letter from their club. These nominations will then be reviewed by the District Nominations Committee prior to the Convention voting. Please consider standing for office – competition is healthy and gives the Convention voting choice.

*** Everyone needs to remember; however, that if there is only one candidate they are not automatically to be voted into office. Convention delegates by majority can still vote no. ***

Please note crucial dates for return of Club Delegate and Remembrance forms.

- Delegate & Alternate advice forms need to be returned to me by **14th October**. Delegates and the Club need to be in good financial standing. If not in good standing; your delegates will not be able to vote.

- Remembrance forms are required to be returned to me by **October 20th** at the latest to enable management of gift items etc. Any subsequent Lions family members who pass up to the date of the ceremony will be added in for acknowledgement as notified and able.

A reminder again to please forward any change of club officer / club contacts as required to me so I can update and circulate as necessary including ensure addition to the Northern Lion for District update. The email address to use is: cabsec.Q2@lions.org.au

Wishing you all a productive time in your Lions service.

PDG Audrey Kenny
Cabinet Secretary

Whitsunday Lions Club

New Member Andrew Sanden

President Betty was delighted to install our first new member for this financial year and we all welcome Andrew into the Club.

Club Secretary Helen assisted with the presentation of Certificates to Andrew and stood in for

his sponsor Lisa Stanley who was unable to be there on the night.

New club project - The LEHP at our Local State School

Whitsunday Lions Club took the Lions Eye Health Program - Australia Children's Vision Screening to our local Cannonvale State School last month. The club has taken up this project with Lion Susan McAllister taking on the Coordinator's role, after training with Tulleys Lions Club members Irene & Martin Bradick who were in attendance that day to help guide us through our first official role with the program at the school. It was a pleasure to screen such well mannered students. The club has just purchased a Lions Eye Health Screening Camera & kit, and we look forward to moving forward with this great program.

Lions Club of Home Hill

Keeping the crowd fed at the Burdekin Water Festival, the food was so popular we ran out of everything!

Getting your stories into the bulletin

Remember that this bulletin is all about our district Lions Clubs and we want to make sure all clubs are covered in here.

If you have a Facebook page for your club it is super easy to alert me by typing [@northernlion201q2](https://www.facebook.com/northernlion201q2) at the bottom of your post, or as a separate comment - remember though - do not use the hashtag as that will make it a 'topic', not a link.

If you type in the above then a little popup may appear with the full name of the page

"Northern Lion - District 201Q2" with a Lions logo next to it.

You can still email your club stories and images through to me at northernlion@lions201q2.org - please make sure you include your full club name, the small story (doesn't need to be massive at all but more is always welcome - ie - your club will take up more space then!) and the best quality photos you can manage - check

out the separate information in this edition for tips on how to capture (and send) the best photos possible to promote your club to the district, nation and globe!

NEW MEMBER REPORT - WELCOME!

Atherton - Rodney Macgowan
Cardwell - Tom Ferguson
Cardwell - Aimee Shedhan
Charters Towers - Anthony McDonald
Hughenden - Sherron Townley
Rollingstone and District - Tracey Rumble
Thuringowa Alice River - Bryanna Harris
Whitsunday - Andrew Sander
Port Moresby City - Helen Nidlin Hu Emang

Why report service?

Strengthen storytelling

Details give stories power. Saying you fed 87 families is more powerful than saying you organized a food drive.

Saying your club contributed 1,265 volunteer hours last year is more powerful than saying your club serves the community. When your club reports service, you collect the details needed to share powerful stories of your club's impact.

Inform decisions

Documented club achievements reveal what's working and what's not. For example, what if your diabetes education program is growing in attendance, but your annual club fundraiser is shrinking? Reviewing past service reports helps your club make better decisions, including choosing service activities and setting realistic goals.

Inspire service

Your reported service projects can be viewed within your district and around the world. That means your club's creativity and impact can inspire Lions and Leos to embrace new causes and serve in new ways. Reports also help Lions International staff identify best practices to share globally.

Grow partnerships

Collaborating with other organizations in your community is a great way to increase the

visibility, reach and quality of your service projects. When approaching potential partners, your club's service reports provide tangible evidence of your club's effectiveness to help persuade other organizations to join with you.

Enlighten leaders

High levels of service reporting are a sign of healthy clubs, zones and districts. Knowledge of your club's service history provides invaluable insight to current and future club officers. In addition, district, zone and Global Action Team leaders can best support your club when they understand how clubs in their area serve their communities.

Be proud

Service data gives us the ability to communicate how **We Serve** around the world. For example, in 2021, Lions and Leos served more than 350 million people! We can take pride in that achievement thanks to the leaders who reported over 1 million service activities. Through service reporting, your club joins in that pride and is eligible for service awards.

Leadership and training

One of our district goals is to get every lions club reporting service through MyLion. It's the way we gather the data we need to tell the world about all the awesome things we do in our communities.

On October 13 the district will be running an online training session for MyLion. If you want to attend but

have never used zoom before - send me an email so I can help you (glt@lions201q2.org).

October 27 the district will be running an online session for new lions. This orientation course will help our newest members become more familiar with our association and give a forum for the discussion of ideas. All lions who have sponsored a new member in the last 6-12 months are encouraged to join along with their new lions.

Service Report

For our clubs', reporting service is the final step in our service journey. Reporting service can be a point of pride that can be celebrated and creates a database of the great projects done in a given community. Plus, clubs that report service become eligible for service awards and other forms of recognition. Remember we have the incentive this year that ONE club will be given the opportunity to win the \$500.

Reporting Service Helps:

How you may ask, by

- Accurately measure our global impact
- Identify the best ways to work together
- Bring attention to the great work of Lions
- Ensure clubs' service is supported in the best ways possible

Therefore we ask that you report your Service. we have many people scattered around our district that can help if you need help reporting you only need ask.

I am happy to report that we currently have 56% of our clubs reporting. Congratulations to those clubs but, DG Michael has set a goal of having 100% of clubs reporting. so still a bit of work to do.

The challenge is on and as they say let the games begin.

We are now looking towards Lap the Map which is for Diabetes awareness. I suggest you get your clubs plan in place now.

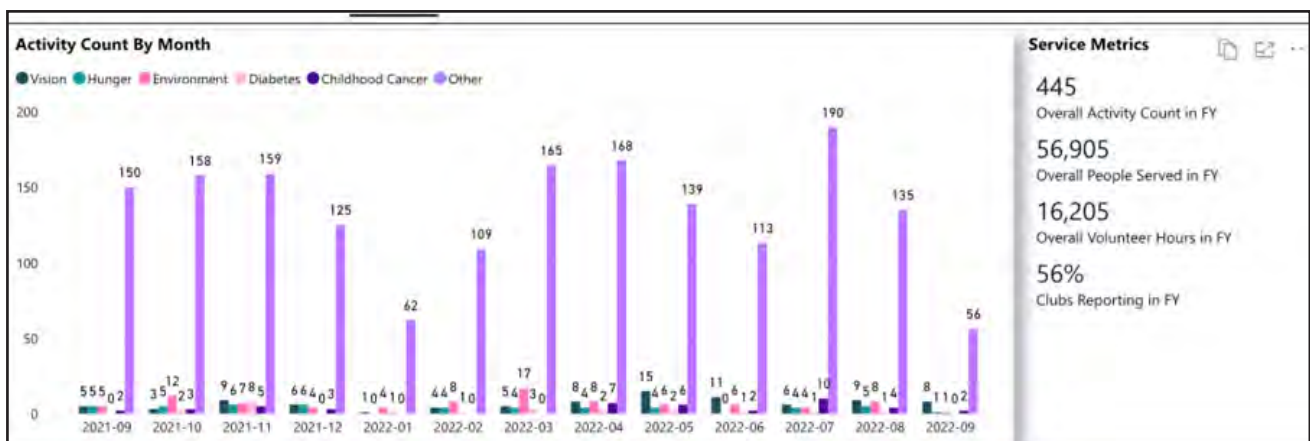

Please remember this is held on Nov 14th each year but you can hold this when ever it suits your club. It maybe that you hold an awareness day at your local shopping centre. Why not talk to the shopping centre walking groups and see if they will walk one week counting laps and advertising Diabetes.

You can dance, ride a bike, swim it is really up to you. Lets get behind this amazing project.

Give it a go Q2.

Ed Morris

GST Coordinator

At the time of writing this report with a few days still to go, our membership stands at 1000 members which is negative growth.

Many of us have been attending the ANZI Pacific Forum this weekend in Cairns; listening to a variety of different speakers and particularly hearing great ideas from other Lions across Australia, New Zealand, New Caledonia, and Indonesia. We were also fortunate to have 2 of our Papua New Guinea Lions attend with us thus enabling a long awaited catch-up in person.

As the District Governor team have been visiting clubs and other groups, they have been issuing the challenge for all clubs to have a net membership growth of 2 members prior to June 2023.

I encourage you all to add a new member for every member that is dropped for various reasons. This however only maintains your status. Wouldn't you all like additional members to assist with your various projects and allow flexibility in your member attendance at those projects? A minimum net + 2 members will assist with that goal.

** I am pleased to advise that as an incentive for all clubs to recruit new members to assist their service activities, the Q2 District Executive have decided to add a little interclub competition and a financial incentive at the end of the year for the club with the most net membership growth.

I am aware of a number of Clubs who have not reported their new Members by adding them in on My LCI- these actions will make your new members feel valued as they will be accruing correct service time. In addition, the club will be showing growth that is currently not being reported. Also, for insurance and other purposes, your members should be listed on your MyLCI Club roster.

We will be celebrating club success for the rest

of the year by acknowledging those clubs who have added their new members in My LCI and shown net membership growth in the Northern Lion. I'm sure you would all like to be in that list and move towards the top of the list.

Clubs currently showing net membership growth from highest to lowest to the end of August:

Millaa Millaa; Townsville Castle Hill; Babinda; Innisfail Lioness; Cardwell; Cairns Barrier Reef; Cairns Marlin Coast; Townsville Lioness; Home Hill; Hughenden; Townsville Northern Suburbs

Well done to you all.

Let's not forget to also focus on our current members – providing some membership care and checking on those who haven't been seen for a while or have been unwell etc. Many are still struggling with activities outside of their home due to COVID related and other issues.

Let's make sure we are *"Moving Together Towards Tomorrow"* by using great service projects to make some positive membership growth and club care for our members.

PDG Audrey Kenny
District Global Membership Approach Support Lead 2022-23
District Global Membership Coordinator 2022-23

ANZI Pacific Forum was AWESOME!

After two years of planning and preparation, the ANZI Pacific Forum has finally been held, and what a weekend it was! There were just over 300 registrations, with representatives from every District in Australia and every country in our Constitutional Area – New Zealand, Indonesia, Papua New Guinea and New Caledonia. They were all able to meet and interact with our International Executive (IP Brian Sheehan & Lori, IPIP Douglas X Alexander and 1st IVP Dr Patti Hill), as well as PIPs Yamada and Palmer, and lots of other distinguished Lions.

It was a friendly and fun-filled weekend, with lots of opportunities to learn and be inspired through the Forum presentations, not to mention the dynamic International President Brian Sheehan who certainly knows how to get an audience revved up and motivated! The Energiser Bunny has nothing on him!

The Pullman Hotel staff looked after us well, and the catering was superb. The Pool Deck was a beautiful setting for the impressive Opening Ceremony, and the Gala Dinner took place in a red-themed wonderland created by Gloria DeMartini and her team. The band was great and the dance floor was packed.

Huge thanks go to the Committee members who have put in an enormous effort to deliver this event – the praise from all quarters was gratifying. Congratulations to the following for receiving recognition for their efforts from the International President:

- **Presidential Medal** – Toni Lanphier (Chair), John Muller (Program

Coordinator). Gary Kenny (Registrar)

- **International President's Leadership Medal** - Norm McMullen (Secretary), Jo Lynes (Sponsorship), Annette Clay (Publications)
- **International President's Certificate of Appreciation** – Col Dallavanzi (Transport & Logistics), Garth Gleeson (Deputy Chair), Rachel Davey (Treasurer), Lesley Lyons (Program Assistant), Gary Searle (IT & AV), Michael MacLaren (Opening Ceremony), Phillip Johnson (MC), Bruce Hudgson (Policy & Procedures), Englebert Krampfl (MD201 rep), Arvind Raman (MD202 rep), Dal Kapoor (MD307 rep).

ANZI Monster Raffle – congratulations to the winners:

1st prize – Stuart Freudenstein (Sunlover Reef Cruise + Hartley's Crocodile Adventure)

2nd prize – Gary Searle (Skyrail Cableway + Cairns Aquarium)

3rd prize – Gloria

DeMartini (Kuranda Scenic Railway + Dinner at Dundee's)

Thanks to our sponsors and everyone who bought tickets.

For those who missed out on this awesome weekend, the individual presentations will be available soon on the Lions ANZI Pacific website, or – better still – you can book for the next ANZI Forum to be held in Christchurch, New Zealand in September 2023!

Toni Lanphier – signing out as **ANZI Pacific Forum Committee Chair**.

ANZI Photos

District Cabinet in Profile - Irene Braddick

Hi, I'm Irene Braddick and I am the coordinator for Q2 and the Q representative for Multiple District for the Lions Eye Health Program (LEHP).

I have been in Lions for 16 years and am the Secretary of Tully Lions Club.

The Adult side of the LEHP program is an informative one, with lots of pamphlets available.

We suggest that one gets an eye test at least once every two years, if not sooner.

The Children's Vision Screening Program is where we go into the schools and screen students with a Visual Acuity Lea Chart, Colour Vision Screening, Depth Perception Fly Stereo and our Spot Vision Screener (Welch Allyn Camera) which screens for abnormalities such as Myopia, Hyperopia, Astigmatism, Anisometropia and Binocular Vision. We can also screen at different community groups like Scouts/Girl Guides, Sports groups etc.

I am the registrar/director of the Youth Camp at Camp Kanga. Owing to COVID there has not been any International Youth Exchange for a few years, but we have run a Queensland Camp and looking to do that again next year.

My parents were both members of Lions in New Zealand where I lived until 30 years ago when Martin and I came across to develop and run a Redclaw Crayfish Farm at Feluga.

After 15 years, we sold that and retired to South Mission Beach.

I volunteer at the Angel Care Opp Shop and Meals on Wheels, and am the Mission Arts Secretary.

I was proud to be named the Citizen of the Year for 2022 in the Cassowary Coast Region. I love travelling, bush walking and reading.

Lions at a glance

Thankyou to everyone who participated and volunteered!

Lions Eye Health Project

Welcome to the Proserpine Lions Club who took the Lions Eye Health Program - Australia Children's Vision Screening to St Catherine's Kindergarten, Proserpine today. Always a pleasure to screen the littlest people. Northern Lion - District 201Q2.

Malanda Lions take to the sky

other means.

Our club has been able to value add on this project by having our professional photographer engage students in learning all there is to know about their cameras and the art of taking the perfect photo.

One or more of the students go along on each shoot, tutored by the professional. We are hoping that some of their photos are good enough to adorn the pages of the calendar.

After a successful Lions Calendar project last year Malanda Lions Club have decided to produce a calendar for 2023 highlighting the town and district of Malanda under the postcode 4885.

The 2023 edition of the Lions Calendar will highlight some of the many tourist attractions on the Atherton Tablelands along with some of the people who contribute to our community making it such a marvellous place to live.

Malanda Lions always go in boots and all when they do a project and the 2023 Calendar is no different.

The club has employed a professional photographer to gather together a set of photographs under the heading "The Place Where We Live" that highlight the beautiful Atherton Tablelands. Lion Graham King heads up the team which have been able to obtain a number of grants to offset the cost of production.

This will enable the club to reduce the retail sale price of each calendar to \$15.00 each. Lion Graham has been able to use a helicopter to get some beautiful photos of waterfalls, lakes and rolling hills that would have been near impossible to obtain by any

The Lions Calendar will be for sale in Tourist Information Centres and local businesses where they can be purchased by visitors as a memento of their time in our area. Many are sold to locals for Christmas presents for friends and family and some are just purchased for the pictures.

The club see this project as supporting our community although we have noticed that it does instil a sense of pride by locals in their town and community.

When you live in a place such as the Southern Tablelands it is easy to forget just how lucky we are and the Lions calendar is a gentle reminder of that.

75 years of Lions celebrated at ANZI

The 75th anniversary of Lions Clubs in Australia was recognised with tree planting and cake-cutting in Cairns during the ANZI weekend.

The Lions International Executive team planted ten trees at the Half Moon Bay Gold Club, and a permanent sign will be erected soon to commemorate this special occasion. International President Brian Sheehan, Immediate Past International President Douglas X Alexander, 1st International Vice President Dr Patti Hill, International Director Tim Irvine and MD201 Council Chairman Steve Boyce participated in the ceremony.

Thanks to the Golf Club for preparing the site and providing the trees, and to Norm McMullen for coordinating the event.

At the ANZI Closing Ceremony, hearty singing of 'Happy Birthday Lions Australia' was followed by the ceremonial cutting of a cake that was then sliced and shared by those present. CC Steve Boyce told Lions of the great response to the '75 gardens for 75 years' initiative and presented a slideshow of photos of some of the many gardens already planted by Lions Clubs all over Australia – more than 100 and still counting!

President Paul Legg and Club Members
invite Lions and friends to join us in
celebrating 65 years of dedicated service
and life long friendships.

Reader Submission: Lost words from our childhood

The other day a lady said something to her son about driving a **Jalopy**, and he looked at her quizzically and said, "What the heck is a Jalopy?" He had never heard of the word jalopy! She knew she was old. But not that old...

Well, I hope you are **Hunky Dory**, **Right as rain** and as **Happy as Larry** after you read this and chuckle.

About a month ago, I illuminated some old expressions that have become obsolete because of the inexorable march of technology. These phrases included: **Don't touch that dial**, **Carbon copy**, **You sound like a broken record**, and **Hung out to dry**.

Heavens to Betsy! **Gee** whillikers! **Jumping Jehoshaphat**, **Strike me pink**, **Holy Moley**!

See ya later, alligator!
